Dear Exhibitor,

You are invited to participate in the *Life & Health Expo 2012*. For those of you that have participated in the past in one of our job or health fairs we are continuing some of the changes we made last year.

The *Life & Health Expo 2012* is all about services, products, places and opportunities that strengthen our daily lives. If you are looking for a new job, new career, more education, to go back to school, what is available from social services, to learn about places and opportunities in the surrounding areas, the *Life & Health Expo 2012* will feature it all.

For exhibitors I would like to point out changes to this year event.

- * We have expanded the event but this will be the only show date this year
- * We have increased the amount of exhibitor spaces so more exhibitors will be able to get into the event and expanded our exhibitor invitations to include new categories.
- * All exhibitor spaces will have a table with white plastic cover, name card and chairs.
We do encourage you to bring your own decorations. Be creative and have fun!
- * We have increased and expanded our advertising to include more areas.

The *Life & Health Expo 2012* will be our 5th annual event serving Somerville and the surrounding communities. Once again this year *it* promises to be a really great show and we hope you will be joining us for some fun, networking and a great opportunity to meet the folks and visitors in our community.

Deadline is April 6,2012 but our spaces almost always fill-up before deadline so please don't delay.

I look forward to seeing you at the *Life & Health Expo 2012*! Please feel free to contact me if I can be of further help.
